FOR IMMEDIATE RELEASE

3RD CO-DEFENDANT PLEADS GUILTY TO ROLE IN METH CONSPIRACY

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Kansas City, Mo., man pleaded guilty in federal court today to conspiracy to manufacture methamphetamine.

Rodney A. Lane, 26, of Kansas City, pleaded guilty before U.S. Magistrate Robert Larsen this morning.

By pleading guilty, **Lane** admitted that he conspired with others to manufacture five grams or more of methamphetamine between Feb. 1, 2002, and June 3, 2002. Specifically, **Lane** admitted to assisting in the manufacture of approximately 15 grams of pure methamphetamine by cutting match sticks and providing pseudoephedrine to meth cooks.

Lane is the third co-defendant to plead guilty in this case.

On Aug. 26, 2004, **Ellen Nicole Wagner**, 20, of Independence, pleaded guilty, admitting that she, too, conspired with others to manufacture five grams or more of methamphetamine between Feb. 1, 2002, and June 3, 2002. **Wagner** admitted that she also assisted in the manufacture of approximately 15 grams of pure methamphetamine by cutting match sticks and providing pseudoephedrine to meth cooks.

On Aug. 4, 2004, **Donald R. Swank**, 36, of Kansas City, pleaded guilty to his role in the conspiracy. By pleading guilty, **Swank** also admitted that he conspired to manufacture five grams or more of methamphetamine between Feb. 1, 2002, and June 3, 2002.

Under federal statutes, Graves explained, the co-defendants are subject to not less than five years in federal prison without parole up to 40 years in federal prison without parole, plus fines of up to \$2 million. Their sentencing hearings will be scheduled after the completion of

presentence investigations by the United States Probation Office.

This case was prosecuted by Assistant U.S. Attorney David DeTar Newbert. It was investigated by the Kansas City Metro Meth Task Force.
